

# Noah Camara

Highly-motivated software engineer, seeking a job opportunity in front-end web development. Looking to use my HTML, CSS, JavaScript, and React skills to promote user-intuitive design, with a willingness to learn and master Python, Java and similar programming languages.

## EDUCATION

### **Kenzie Academy, Remote**

#### **Front-End Software Engineering Certificate**

JULY 2021

- Created front-end web programs with HTML, CSS, and JavaScript
- Learned programming fundamentals, such as data models, debugging, pseudocoding and object-oriented design

#### **Full-Stack Software Engineering Certificate**

EXPECTED JAN 2022

- Create full stack web programs with MongoDB, Express, React, and Node.js
- Collaborate with groups to create user-friendly websites

### **Taylor University, Upland, IN — B.A., International Business**

MAY 2017

**Awards:** Outstanding Senior International Business Student of the Year

## EXPERIENCE

### **Southern New Hampshire University, Remote — Software Engineering Coach**

SEP 2021 - PRESENT

- Closely tutor 15+ students weekly in programming fundamentals
- Successfully analyze and debug code (HTML, CSS, and JS) written by numerous individuals and provide tailored feedback
- Organize coaching environment to promote learning and productivity

### **Maximus Inc., New York, NY — Bilingual Customer Service Representative**

FEB 2020 - NOV 2020

- Met customers' needs by handling incoming calls and inquiries while swiftly navigating two languages
- Used Zendesk to accurately capture customers' Census information
- Effectively deescalated agitated customers with grace and patience

### **IATSE Local 30, Indianapolis, IN — Stagehand**

JUNE 2019 - OCT 2019

- Solved problems while preparing for events by showing initiative
- Built rapport with coworkers by maintaining positive attitude in stressful situations

### **AFLAC, Indianapolis, IN — Benefits Consultant**

DEC 2018 - MAR 2019

- Interviewed clients, showing genuine empathy to gain complete knowledge of business and employee strengths
- Advised customers in availing best insurance policies for protecting assets based on research and interviews

### **Meten Education, Shenyang, China — Corporate EFL Instructor**

JUNE 2017 - MAY 2018

- Enabled over 700 Chinese adults and youth to advance careers and access college successfully through quality English instruction

New York, NY 10029

(317) 459-6117
